

PLANNED PANELS during the 14th edition of ECSME

The following list contains the currently **PLANNED** panels at the 14th European SME Congress.

Changes may be made to this list - resulting from ongoing cooperation with congress partners.

If you have a proposal for a panel which is not among the listed topics - please contact us.

It is still possible to change the titles of panels, add new ones or cancel some of the planned ones - due to the limited number of rooms in the International Congress Centre in Katowice.
